

Dot TK Content Policy Version 1.0

The Dot TK Registry does not allow any free domain name registrations of which the referred websites contain content similar as stated in the categories below:

RACISM – This category includes websites that contain violent content, racial intolerance or advocacy against any individual, group, or organization. This includes nazi propaganda websites, homophobic content and others.

ADULT ENTERTAINMENT – This category includes websites that contain pornography, adult or mature content. This does NOT include chat, lingerie and/or swimwear websites. However, nudism websites are considered to be 'mature content'.

HACKING / CRACKING – This category includes websites that show software serial numbers. This does NOT include websites that promote or offer technical enhancements on products or software.

DRUGS – This category includes websites that contain information about illicit drugs and drug paraphernalia. It also includes websites that promote or sell hard alcohol, tobacco, tobacco-related products and/or prescription drugs. It does NOT contain websites that promote or sell wines or beers.

WEAPONS – This category includes websites that promote and/or sell weapons or ammunition (e.g., firearms, fighting knives, stun guns), or that support terrorism.

GAMBLING – This category includes websites that promote or offer gambling or contain casino content. It does NOT contain tips and advices related to gambling, and it does NOT contain websites that promote or offer gaming applications. Gambling is defined as an act where there is betting with/for money involved (which includes bingo). This differs to gaming, which are acts where there is no betting with/for money involved, but is an actual computer game.

DESIGNER GOODS – This category includes websites that promote or offer replicas or imitations of designer goods.

COLLEGE MATERIAL – This category includes websites that sell or distribute term papers or student essays, sold or distributed by other students. It does NOT contain websites offering student information by professors of universities or universities themselves.

YOU CLICK WE PAY – Content regarding programs which compensate users for clicking on ads or offers, performing searches, surfing websites or reading emails.

COPYRIGHTED – This category includes all content that is illegal, promotes illegal activity or infringes on the legal rights of others. This includes illegal mp3 distribution of well known artists. This category does NOT include music websites of any bands or special music groups that have their own website.
